

# Marine Animal Movement Portal

## Pricing

### Explore our range of subscription packages

#### Freemium

Ready to dive in? Start off with our Freemium account – your gateway to the world of mammals and seabirds! With Portal access, documentation, and visualisations of Metocean, Seabirds, and Marine Mammal datasets, it's the perfect way to get started.

#### Premium

Want to take it up a notch? Our Premium package is here for you. Dive into unlimited on-screen assessments of underwater noise and oil spill impacts, and enjoy handy summary reports sent straight to your email.

#### Gold

But if you're after the whole treasure trove – complete access to Metocean, Seabirds, and Marine Mammal datasets from 2006 to 2019 – our Gold package might be your golden ticket. It's not just a package; it's your all-access pass to a world of ecological modelling.

#### Freemium

Basic portal access

€0

- ✓ Access to the portal
- ✓ All documentation
- ✓ Dataset visualisation (Metocean, Seabirds, Marine Mammals)

#### Premium

Monthly subscription

€1,495

1 month

- ✓ Access to the portal
- ✓ All documentation
- ✓ Dataset visualisation (Metocean, Seabirds, Marine Mammals)
- ✓ Run unlimited on-screen assessments of underwater noise and oil spill impacts and receive summary reports via email

#### Gold

Annual subscription

€99,995

12 months

- ✓ Access to the portal
- ✓ All documentation
- ✓ Dataset visualisation (Metocean, Seabirds, Marine Mammals)
- ✓ Run unlimited on-screen assessments of underwater noise and oil spill impacts and receive summary reports via email
- ✓ Access all datasets (Metocean, seabirds, Marine Mammals) for the entire modelling period (2006-2019) for further analysis

## Annual data subscriptions

Datasets may also be purchased on an annual basis with discounts available for longer periods.

### Metoccean Data (2D)

Datasets	Modelling Period	Unit Price (per year of data in EUR)
Wind (vector, speed)	2006-2019	1,500
Currents (vector, speed)	2006-2019	1,500
Temperature and salinity	2006-2019	1,500

### Seabirds

Datasets	Modelling Period	Unit Price (per year of data in EUR)
Atlantic Puffin ( <i>Fratercula arctica</i> )	2006-2019	1,500
Black-Legged Kittiwake ( <i>Rissa tridactyla</i> )	2006-2019	1,500
Brunnick's Guillemot ( <i>Uria lomvia</i> )	2006-2019	1,500
Common Guillemot ( <i>Uria aalge</i> )	2006-2019	1,500
Glaucous Gull ( <i>Larus hyperboreus</i> )	2006-2019	1,500
Little Auk ( <i>Alle alle</i> )	2006-2019	1,500

### Marine Mammals

Datasets	Modelling Period	Unit Price (per year of data in EUR)
White-beaked Dolphin ( <i>Lagenorhynchus albirostris</i> )	2013/2016	1,000
Harp Seal ( <i>Pagophilus groenlandicus</i> )	2013/2016	1,000
Humpback Whale ( <i>Megaptera novaengliae</i> )	2013/2016	1,000
Minke Whale ( <i>Balaenoptera acutorostrata</i> )	2013/2016	1,000
