

Meddelelse om GLP-inspektion

for

overholdelse af OECD's principper for god laboratoriepraksis

GLP-inspektion er blevet udført på

Virksomhed: DHI A/S, Agern Allé 5, DK-2970 Hørsholm
CVR: 36466871

den: 11. oktober 2022

GLP-inspektionen er udført i henhold til OECD's regler for GLP-inspektion fastlagt i Miljø- og Fødevareministeriets bekendtgørelse nr. 1389 af 25. november 2015. Inspektionen har omfattet følgende:

Forsøgstyper

- Økotoxikologiske forsøg med akvatiske og terrestriske organismer

Produktgrupper

- Pesticider

- Industrikemikalier

GLP-inspektionen viste, at virksomheden har tilfredsstillende SOP'er, GLP organisation og kompetencer, samt de nødvendige faciliteter og udstyr for arbejde i overensstemmelse med OECD's principper for god laboratoriepraksis.
